Silverado St. Charles Caregiver Support Groups

Caregiver Support Group for Adult Children

**The 1st Tuesday of the month
5:30pm– 6:30pm (CST)**

Join us for a monthly support group, as we come together to learn and share experiences of accompanying a loved one on the road of dementia. This group is designed to help adult children of parents with Alzheimer's and other memory-impairing diseases find a place of comfort with others who understand the unique challenges they face. Having the proper support during these difficult times can make a world of difference in the quality of life for both the adult child and the parent.

All families are welcome to attend.
