Dear Fr.Peck and friends:

I would like to thank you warmly for your donation of the washing machine. We truly needed it! As many of you know very well, we have 38 children in the Home currently, and the work in the laundry never seems to end! Divine Providence, using you as his faithful instruments, gave us a great help and for this, we are very grateful.

I would also like to thank you for all the other items you so generously donated to the home; liquid thickener, medical supplies, blankets, Christmas decoration, clothing, baby food, etc. All the items are very useful and timely, so thank you so much!!!!

May the Child Jesus bestow abundant blessings upon all those who have helped these children, who are so special to His Heart, to grow surrounded by love and as a part of our large family at the Hogar. This family includes the children themselves, priests, sisters, the employees, the volunteers, and the benefactors.

We keep you in our prayers,

M. de Roncesvalles
